 Now Made with Organic Blueberries and Apples giving deeper
 color! Refreshingly balanced leaning towards tart, Fun !!!

Despite yield losses of 2025 due to prior drought stress, and the freeze of 2026, we have resolved to hold firm to our principles, bringing you wine 100% from Virginia grapes, and shifting to solely the Estate Vineyard to solidify our clean concept with our Organic transition. While changing to adapt, we have kept our customer's experience at heart. Thank you for acknowledging the quality that these philosophies are capable of delivering. Sincerely - Jason & Sandy

Pioneering Organic Viticulture

The Arterra Estate Vineyard

In August 2024 the entire Estate Vineyard entered transition to 100% Organic Operations with Baystate Organic Certifiers; starting the 3-year process to become the first Mid-Atlantic vineyard growing European wine grapes organically certified. Vintage 2025 wines were verified as organically compliant having completed the first inspection by our certifier.
