Pioneering Organic Viticulture

The Arterra Estate Vineyard

In August 2024 the entire Estate Vineyard entered transition to 100% Organic Operations with Baystate Organic Certifiers; starting the 3-year process to become the first Mid-Atlantic vineyard growing European wine grapes organically certified. Vintage 2025 wines were verified as organically compliant having completed the first inspection by our certifier. These are exciting times for us! While we learned some things the hard way in 2025, changes made during 2026 have been a complete success. We are on our way !!

Plan Ahead for your Holiday Table !!!

Whites: Classic Chardonnay & Roussanne both Pair GREAT with the meal !!!

Reds: Cab Franc – Easy Drinking
Petit Verdot & Tannat – Impressive

Sweet: Blueberry Apple – All the "Non-Wine-Drinkers" will LOVE it !!!
